About Us

We, **LIBERTI INDUSTRIES** is pioneering manufacturer & Trader in Vapi (Gujarat). We are manufacturer of Potassium Pyroantimonate (PPA) Solution and Powder, Boric Acid & Sodium Nitrate since 2018. In a short span of the company we have made a huge supply chain all over India. We have earned the trust of our consumer and we have delivered the material on time being. We have a hitech QC department to maintain the quality of the product. We have always led the market with quality material supply into the Industries. We always believe in maintaining healthy relationship with our customer. We at Liberti Industries engaged in business of Trading chemicals are committed for enhancing customer satisfaction and continual improvement in our QHSE management system and performance.

Our sister company, **LIME INDUSTRIES** is one of the India largest manufacturer of new generation OXIDISING AGENT for reactive & disperse dyes for textile industries in Daman.

Vision

Excellence is a synergy of technology, quality and service. At Liberti Industries, right from our inception we have worked towards enhancing it. Our vision is to always develop and produce reliable, high quality products at an affordable price.

Mission

To make, distribute & trade the highest quality chemicals with a continued commitment to meet the market needs & standards while promoting business practices that respect our employees, customers, suppliers & the environment. "Liberti Industries is a trusted name in the Indian chemical industries and it has done so by having the right combination of dedicated employees, effective manufacturing processes and sustained effort of building long term relationship with the Industrial partners who has joined us." – Mr. Ankit shah, Managing Director, Liberti Industries & Lime Industries.

INDUSTRIES WE SERVE

- PHARMACEUTICAL & DRUGS
- TEXTILE & RUBBER
- OIL & GAS
- PIGMENT, PAINT AND DYE
- AGRICULTURE AND PESTICIDES
- LABORATORY CHEMICALS
- SOAP & DETERGENTS
- MINING & DRILLING
- FIBERGLASS & CERAMIC
- EXPLOSIVES INDUSTRIES
- FOOD & DAIRY PRODUCTS
- ADHESIVE & POLYMER
- CONSTRUCTION
- BEAUTY AND PERSONAL CARE
- COATING & LAMINATES
- LUBRICANT & AUTOMOBILE
- PAPER & PACKAGING
- FRAGRANCE & FLAVOUR
- WATER TREATMENT
- WIRE AND CABLE
- INTERMEDIATE CHEMICALS

WHAT DO WE DO

WE OFFER SERVICES

Our experience and proven ability to progress within industries and services is a well given advantage for your requisite.

AGENTS

We aim to be exclusive supply chain agents for manufacturers from all over the world in India. Our professionalism goes in tandem with our reliability for all clients.

EXPORT

Our vast reach in the Indian manufacturing market helps us export high quality and wide range of products across the globe.

IMPORT & DISTRIBUTION

Our global network facilitates us to import products from all over the world, and our ability to stock and distribute them helps reduce the cost effectively.

INDENTING

Our Sister Company, Lime Industries Manufacture Oxidising Agent And Engage In Connecting Manufacturers And Users All Over The India.
